CA-228307 Update EDBC Summary Page Mapping for ABAWD Fields

1 OVERVIEW

This SCR identifies the changes required in some of the ABAWD fields in Page Mapping related to the ABAWD Status section in the EDBC Summary page. Many new additional fields related to ABAWD were added as part of new SCRs and correct descriptions are not available for all the new fields.

1.1 Current Design

SCR [CA-207637](#) added additional ABAWD-related fields to the EDBC Summary Page, including Source, Status Reason, and Work Requirement.

1.2 Requests

There are now multiple versions of the Source and Status Reason fields on the EDBC Summary Page. They are used for different sections of the page, which may be confusing for users.

1.3 Overview of Recommendations

1. ABAWD Status section in the EDBC Summary page has new ABAWD fields that have the similar name with other EDBC field names, that needs to be updated in Page Mapping with more information to improve the readability.
2. Modify and update the Field, Table and Column headers in Page Mapping where needed to display the correct information regarding ABAWD.

1.4 Assumptions

1. No changes will be made to ABAWD functionality.

2 RECOMMENDATIONS

2.1 EDBC Summary Page Mapping Updates

2.1.1 Overview

Modify the Page Mapping ABAWD fields in ABAWD Status section in the EDBC Summary page with appropriate information.

2.1.2 EDBC Summary Page Mockup

EDBC Results Page:

The screenshot displays the CalSAWS EDBC Results Page. The interface includes a top navigation bar with the CalSAWS logo, user information (Case Name, Case Number: B01F713), and various utility links (Journal, Tasks, Help, Resources, Page Mapping, Imaging, Log Out). Below this is a secondary navigation bar with tabs for Case Info, Eligibility, Empl. Services, Child Care, Resource Databank, Fiscal, Special Units, Reports, Client Correspondence, and Admin Tools. The main content area is divided into a left sidebar and a central panel. The sidebar contains a 'Customer Information' section with a 'Case Number' field and a 'Go' button, followed by a list of menu items: Person Search, Non Financial, Financial, Verifications, MC 355, EBT Account List, MAGI Verifications, MAGI Eligibility, Run EDBC, Manual EDBC, Needs, Service Arrangements, ABAWD, and EDBC Results. The central panel features an 'EDBC List' section with a 'Display by:' dropdown, 'Program:', 'Type Reason:', 'Run Status:', 'From:', and 'To:' fields, and a 'View' button. Below this is a 'Search Results Summary' table showing results 1 through 4 of 4. The table has columns for Begin Month, End Month, Program, Type, Run Status, Auth Amount, Date Run, and EDBC Source. The data rows show results for CalWORKs, CalFresh, and Medi-Cal programs. A 'Close' button is located at the bottom right of the table. A status message at the bottom of the central panel indicates 'This Type 1 page took 0.93 seconds to load.'
