CalSAWS | Enhancement Request (CER)

Justification / Request Summary:

Tips received through Self-Employment are eligible to receive the Self-Employment Deduction.

Issue:

Issue:

Currently, the “tips” income category does not differentiate between self-employment and non-self-employment and therefore does not provide the self-employment deduction

Per CF PI 24-15 and CW PI 24-06, Tips gained through self-employment are eligible to the self-employment deduction.

Proposed Recommendation:

Proposed Recommendation:

Option 1:

Add the “Tips-Self-employment” as a sub-type under “Salary-Wages.”

Ensure that the EDBC calculation included the “Salary-Wages, Tips-Self-Employment” income with other self-employment income types and applies to the self-employment deduction.

Option 2:

On the Income Detail page, when Self-Employment is selected, add a field labeled “Tips” (to the right of the reported amount). Then add a field for “Total Self-Employment Income” that would add the two fields together (so that staff understand that the “tips” field is not a subset of the “reported amount” field (like the “paid by others” field on the shelter expense page.”
