A member under 19 years of age who is under the parental control of another adult household member and who is in On-Job-Training (OJT) or Workforce Innovation and Opportunity Act (WIOA) will continue exclude the income of the child until the household's next required report, either SAR 7 or recertification, unless the income takes the household over IRT.
2. If the 17-year-old turns 18 mid period will continue exclude the income of the child until the household's next required report, either SAR 7 or recertification, unless the income takes the household over IRT.

	<p>For Intake, if the individual is turning 18 years old in the application month, exclude the income in the application month and count the income in the subsequent months.</p> <p>3.
