Time	Lead	Topic	Notes
1:30 PM	**Ignacio**	▪ Roll Call	
1:35 PM	**Dymas /Erika**	▪ SCR CA-271977	Expand Existing LA County Masked Address Capability for Children in FC/Kin-GAP Programs to be Available for all Counties
			Reviewing if **SCR CA-285530 can be combined with this SCR to check** if the system can set flags to a confidential flag and review the system are able to see address or not.
			Clarification needed if they are going to be blocked from the variety of cases between FC to CW
			This prevents other ETs from other programs from seeing the case. Only the assigned ETs to that program can see the case.
			This is strictly CalSAWS to mask the address
			If the address is confidential on CalSAWS, the address will still appear on MEDS system.
			The Foster Care case will be flagged when created, this way it becomes confidential just like the AAP case and this will be a yes or no vote counties will not be able to opt-out of the change.
