Description	**Purpose**
	The purpose of this CIT is to inform Counties of the availability of one new Transitional Medi-Cal Quick Guide. This Quick Guide is now available in the Learning Management System (LMS).
	Background
	The CalSAWS Quick Guides were created to provide users additional training resources to assist them in performing functions in CalSAWS. They include step-by-step instructions as well as screenshots to enhance the learning experience.
	Additional Information
	The **Transitional Medi-Cal** Quick Guide provides users with information on current Transitional Medi-Cal (TMC) and Four-Month Continuing Medi-Cal (FMC) functionality in the System. It also includes information on areas where users may need to complete a manual determination and/or override until additional functionality is updated in the System.

	County Actions Please distribute this CIT and the CalSAWS Quick Guide to any County staff who perform these functions. The Quick Guide can be found in the LMS. Access to the LMS is available to all users and is encouraged. A request for access can be submitted as a Single or Bulk LMS Access Request through CalSAWS ServiceNow. Users needing access to the LMS must follow their County's process. If you have questions on this CIT, please reach out to the Primary Contact and cc your Regional Managers.
