25.09.11	11-Sep	SCR	CA-290522	Eligibility	CalFresh, CalWORKs, Foster Care, Kin-GAP, RCA/RMA	CA-288618 implemented the new the CalFresh (CF) COLA values for FFY 2026 and the new CalWORKs (CW) IRT values for 2025–2026 year effective October 1st, 2025. The new Maximum Aid Payment (MAP) values were updated effective October 1st, 2025.	A one-time EDBC batch is now being run to apply the new CalFresh (CF and CalWORKs (CW) values and calculate the new benefit amounts for the effective benefit month of October 2025.			Review List
25.09.11	11-Sep	Defect	CA-294033	Fiscal		Name Drop-down Field is blank for GA/GR Manual Time Limit Detail.	Name Drop-down Field populates correctly for GA/GR Manual Time Limit Detail.	PR80052237		No County Action Needed
25.09.11	11-Sep	SCR	CA-275338	Infra Contact Center	N/A	Currently, the confirmation message for discontinuance (DISC) in the 'WB Start' call flow states, "I understand you are concerned about a discontinuance or reduction in benefits. Is that correct?". This does not fully match all utterances associated with DISC.	The 'DISC' confirmation message in the 'WB Start' call flow will be modified to the following statement: "I understand you are calling about discontinuance or would like to stop your benefits or close your case. Is that correct?"			No County Action Needed
25.09.11	11-Sep	SCR	CA-293535	Infra Contact Center	N/A	San Bernardino County Welcome message in Interactive Voice Response (IVR) Call Flow need updating	San Bernardino County IVR welcome message updated to "Welcome to San Bernardino County TAD Customer Service Center."			No County Action Needed
25.09.11	11-Sep	SCR	CA-279320	Infra Contact Center	N/A	Current agent count and license count was using total number of people in connect.	Current agent count and license count should now only count county workers not project staff			No County Action Needed
25.09.11	11-Sep	Defect	CA-293835	Reports		For CF 3585 report, two issues were mentioned: The count of detail records for sheet 'B, PA' Total' count of records on the sheet and in the 'CF 358 S' summary sheet should reconcile. The cell 302 count should reconcile with its detail record in the 'B, PA' sheet and corresponding cell 301 record as section B is a subset of section A.	The issues mentioned in the CF3585 report have now been fixed. The count of detail records for the 'B, PA' sheet, including the total count of records on the sheet and in the CF3585 summary sheet, now reconcile correctly. The count in cell 302 on the CF3585 summary sheet now properly matches the corresponding detail records in the 'B, PA' sheet. Furthermore, cell 302 aligns with the corresponding cell 301 record, as section B is a subset of section A.	PR80052193		No County Action Needed
25.09.11	11-Sep	Defect	CA-292432	Reports		Processing time for different programs were calculated using different logic: CalHEERS app: Disposition Date minus ICT Batch Date non-CalHEERS app: Disposition Date minus App Date	Processing time for different programs were calculated using different logic: CalHEERS app with Status code 'TR': Disposition Date minus ICT status date CalHEERS app without Status code 'TR': Disposition Date minus Pending event Date non-CalHEERS app: Disposition Date minus App Date	PR80051886		No County Action Needed
25.09.11	11-Sep	Defect	CA-293626	Reports		Tasks are missing from Historical Task Management for July for Yuba county under the Report type Task type.	Curation Code changes implemented by updating the inner join to the left join to include all the missing records.	PR80052155		No County Action Needed
25.09.11	11-Sep	Defect	CA-293714	Reports		Voided receipts were not capturing values for some of the categories in the summary sheet.	After the fix the correct values are being captured for voided receipts in the summary sheets. Details and summary reports are reconciling.			No County Action Needed
