Consortium Contact:		County Action:	App Funding Source ID:	
Project Phase (SCR):		Counties Impacted:		
Other Agency Cross Reference:				
Current Design:				
Request: Committee requests to delink Medical Condition page from WTW Program and Work Registration logic and remove any mapping between Medical Condition page and WTW automation. The Committee requests that all exemptions related to medical conditions be manually determined by the user and entered in the WTW pages.				
Recommendation:
