<input type="checkbox"/> Other – specify			

CalSAWS | Enhancement Request (CER)

Justification / Request Summary:

CalSAWS Pregnancy Date Warning

Issue:

On the Pregnancy Detail page, currently CalSAWS allows the Due Date of the pregnancy to be any date. Sacramento discovered a case where the Due Date was entered as over 11 months from the Date Reported which would have put the gestation of the birth over 11 months.

Proposed Recommendation:

To have a warning message displayed on the Pregnancy Detail page when entering a “Due Date” that is greater than 10 months from the “Date Reported”.

Priority/Implementation Consideration(s):

Medium – This would be a tool to assist staff when they are entering dates in CalSAWS.

CalSAWS Response:
