Justification / Request Summary:
Issue: When there is a yearly MAP increase, the CDSS strongly encourages the CWD to provide a copy of the TEMP 2250 to all new CalWORKs applicants who apply for aid from August 1st through October 31st, to ensure that they are informed of the October 1 grant increase.
Proposed Recommendation: Program CalSAWS to generate and send the TEMP 2250 when a CalWORKs application is pended during the months of August – October in years that there is MAP increase. **Priority/Implementation Consideration(s):**
