***Additional information about positions:***

**Work Environment**

*All positions on the CalSAWS Project are full-time positions. The Project works a partly remote schedule. Onsite expectations can be discussed as part of the hiring process.*

*There are times when staff are expected to come to the office or visit a county for scheduled activities/meetings.*

**Travel**

*Some travel is required throughout the state for most positions. Travel expenses are covered through your employer's short-term travel policy and claimed back to the CalSAWS Project.*

**County Candidate Submission**

To be considered for open assignments:

1. Complete this form, including the county management recommendation and the Director's approval.
2. Scan and email this document and your resume to [Careers@CalSAWS.org](mailto:Careers@CalSAWS.org).

**Non-County Candidate Submission**

1. Scan and email this document and your resume to [Careers@CalSAWS.org](mailto:Careers@CalSAWS.org).  
*Non-County Candidates - Regional Government Services (RGS) is a Joint Powers Authority that provides human resources and personnel administration for public agencies and municipalities. RGS has been a partner to the CalSAWS Consortium since 2009. Payroll and benefits with RGS are comparable to working for a county; however, there is no reciprocity for years of service as there is between most counties with respect to retirement. RGS offers comparable pay and benefit packages for employees, which includes an employer retirement contribution and 401k offerings.*
