This All County Information Notice (ACIN) transmits new payment standards for the Cash Assistance Program for Immigrants (CAPI), which take effect on January 1, 2026. This change is the result of a 2.8 percent cost-of-living adjustment (COLA) for recipients of Supplemental Security Income (SSI), announced by the Social Security Administration (SSA) on October 24, 2025.

As required by [Welfare and Institutions Code \(WIC\) Section 18941](#), the CAPI payment standards are equivalent to the SSI/SSP (State Supplemental Program) payment standards. Accordingly, the 2.8 percent SSI COLA will cause SSI/SSP payment standards and CAPI payment standards to increase for 2026. The attached table reflects the new 2026 CAPI payment standards, which will become effective on January 1, 2026.

The federal SSI COLA also affects the following values for the entire calendar year, which can impact CAPI eligibility and benefit amounts effective on January 1, 2026:

PRESUMED MAXIMUM VALUE FOR IN-KIND SUPPORT AND MAINTENANCE

- To compute the Presumed Maximum Value (PMV) start with the federal SSI amount (\$994.00 for an individual and \$1,491.00 for a couple in 2026), then divide by 3 and add \$20.00 [MPP Section 49-005\(p\)\(1\)](#). This changes the PMV from \$342.33 to PMV \$351.33 for an individual and from \$503.33 to PMV \$517.00 for a couple. These amounts also conform to the PMV provided by SSA for in-kind support and maintenance for 2026 ([POM SI 00835.901\(R\)](#)).

ALLOWANCE FOR INELIGIBLE CHILDREN IN DEEMING SITUATIONS

- To compute this allowance, determine the difference between the federal SSI benefit amount for a couple and the federal SSI benefit amount for an individual (for 2026 subtract \$994.00 from \$1,491.00), Title 20, Code of Federal Regulations [CFR Section 416.1163b](#)). This computation changes the allowance from \$483.00 to \$497.00.
- This allowance is used when a CAPI case involves deemed income from an ineligible spouse with child(ren). To calculate the CAPI benefit amount, enter this allowance (\$497.00) on the Income Eligibility – Adult worksheet ([SOC 452](#)), line B.2.a on page two.
- The allowance is also used when a CAPI case involves deemed income from an ineligible parent(s) to a child. To calculate the CAPI benefit amount, enter this allowance (\$497.00) on the Income Eligibility – Child worksheet ([SOC 452A](#)), line 4a in Column A.

SPONSOR'S ALLOCATION IN SPONSOR DEEMING SITUATIONS

- This allocation equals the federal SSI rate for an individual ([20 CFR 416.1166a](#)). The federal SSI COLA changes the allocation from \$967.00 to \$994.00.
- This allocation is used in cases involving deemed income from a sponsor. Enter the allocation on the Sponsor to Alien Deeming Worksheet ([SOC 454](#)), line two.

ALLOWANCE FOR PARENT(S) IN PARENT-TO-CHILD DEEMING SITUATIONS

- The allowance for one parent is equal to the federal SSI rate for individuals. The ([20 CFR 416.1165](#)) \$994.00 for one parent and from \$1,450.00 to \$1,491.00 for two parents.
- This allowance is used when a CAPI case involves deemed income from an ineligible parent(s). Enter the allowance on the Income Eligibility – Child worksheet ([SOC 452A](#)), line A16.
