<b>Current Design:</b>	CalSAWS contains Group Home RCLs as selectable rate options for STRTP placement, but no selection for STRTP rate. RCL is not paid to STRTP placement homes.
<b>Request:</b>	Add STRTP rate as an option on the page to select for AAP out of home placements, and EDBC needs to be updated to pull in the STRTP rate when it is selected. When the user is on the AAP AGREEMENT DETAIL page and selects a BENEFIT BASIS value of OUT OF HOME CARE, the SCHEDULE LEVEL field should include the option STRTP in addition to the existing values that it currently displays. <b>Recommendation:</b>	<ol style="list-style-type: none"> <li>1. Update the AAP Agreement Detail Page so that when a Benefit Basis of "Out of Home Care" is selected, in the Schedule Level dropdown, STRTP is a selectable option.</li> <li>2. Update the AAP EDBC logic so that it uses the new STRTP Schedule Level rate.</li> </ol>
<b>Alternative Procedure Description:</b>	User must enter a non-standard rate, Non-standard rate is not available in conjunction with "Out of Home Placement"

SCR cleanup effort as part of M&E transition activities to remove Accenture estimated hours on any SCR flagged with a release of 25.11 or later. This also includes SCRs with fix version of TBD or RWR with no minor version.

This is in regards to recommendation 2. Adding this comment for future use regarding the Rates and where they are in the code tables:

Update AAP EDBC logic to pay placements where the BENEFIT BASIS is OUT OF HOME CARE and the SCHEDULE LEVEL is STRTP by getting the correct STRTP rate from the Foster Care Facility Rate table (CT404) in the same manner it currently gets Group

Home rates from that table by mapping "FC Level of Service Code" values (CT192) to "AAP Placement Schedule Level Type" values (CT10417)."
