Current Design:				
Request:	A discontinuance NOA should be issued when the Non-Related Legal Guardian does not complete the RRR. Per INC0199498, the discontinuation NOA for NRLG when the legal guardian does not complete the RRR does not exist in the system and a request of an SCR is needed to add it to the inventory. No NOA generating in this scenario causes more work for staff who then need to manually generate the NOA.			
Recommendation:	Appropriate NOA should automatically generate when NRLG did not complete RRR.
