Description	<p><b>Purpose</b> The purpose of this CIT is to inform the counties of the decision to disband the CalSAWS Medi-Cal (MC) Correspondence Committee effective 05/01/2026.</p> <p><b>Background</b> In evaluating the ongoing need for a separate committee devoted to MC correspondence it was determined that the Project could be best served by incorporating the MC correspondence changes into the Medi-Cal/CMSP Committee. This is in alignment with how correspondence will be managed for other programs at CalSAWS.</p> <p>Any SCRs that are out for vote are due prior to the May 01, 2026, disbandment and should continue to be voted on by the regions. After May 01, 2026, any MC correspondence SCRs requiring review/approval will be sent to the Medi-Cal/CMSP committee.</p>
-------------	--

	<p>Any MC correspondence questions should be sent to the MC/CMSP committee facilitator email at <a href="mailto:Committee.MediCal_CMSP.Facilitator@CalSAWS.org">Committee.MediCal_CMSP.Facilitator@CalSAWS.org</a> effective May 01, 2026.</p> <p>Similar to other program Correspondence committees, the MC Correspondence committee has not had an official committee meeting for several months. SCR feedback/approvals have been mostly obtained via e-mail or FYIs sent for threshold language updates or state forms updates.</p> <p><b>County Actions</b></p> <p>With this change, regions may take the opportunity to evaluate any changes to MC/CMSP Committee Regional Committee Members (RCMs) participants to ensure they have someone knowledgeable in MC NOA/Forms on the committee. Any participant changes may be made by following the current process.</p> <p>Copy your Regional Manager(s) on any questions you might send to the Primary or Backup Project Contact.</p>
