Description	Purpose To distribute the FCED Readiness Survey link. The FCED Readiness Survey will be available beginning July 20 through August 3. The Readiness Survey is intended for County PPOCs to complete. Once responses are received and analyzed, the FCED team will identify potential gaps and recalibrate change management strategies as needed, including updates to communications and resource materials. Results with this information will be shared with participants shortly after the survey closes. Background In preparation for the FCED implementation in October 2026, the FCED team developed a Readiness Survey to gather feedback to assess County readiness and preparedness. County Actions - County PPOCs should complete the FCED Readiness Survey between July 20 and August 3 to assist with determining the County's level of readiness and preparedness for the FCED implementation. - Access the Survey via this link: [REDACTED]
