Description	Purpose The purpose of this CIT is to distribute the approved CalSAWS Project county allocations for SFY 2026-27.
	Background The Office of Technology and Solutions Integration (OTSI) approved allocations and sent authorization letters to each County Director for the CalSAWS Project county allocations for SFY 2026-27.
	Additional Information The individual authorization letters for the CalSAWS Project county allocations for SFY 2026-27 are attached in a zip file.
	County Actions Please check your allocation letter when claiming to ensure you have funding to claim under certain line items. Counties must comply with the new allocation monitoring and management requirement for the period July through September 2026. Counties may come in under

	their allocation for any line item but may not exceed it for any line item. Additionally, allocation that has not been utilized for this period will not shift forward to October 2026 through June 2027 and will be lost. If allocations run low, please reach out to PMO.Fiscal@CalSAWS.org for potential reallocations depending on funding availability. Allocations may be revised throughout the State Fiscal Year. Allocations will be monitored for actual use, and any unused amounts may be reallocated. If you have questions on this CIT, please contact PMO.Fiscal@CalSAWS.org or the Primary Project Contact and cc your Regional Managers.
