

Appendix C

FCED Interface

Must-Have FCRS Pending Alternate Procedures

There are seven (7) Must-Have Change Requests (FCRs) – Alternate Procedure County Instructions to be finalized for post go-live action

Functional Change Requests

Impact to CalSAWS	FCR	Impact
Low 	FCR00018 – Sync of Document Types and Categories, Policy changes to document sending	No CalSAWS impact. CARES sends additional document types that should not be sent per policy.
Low 	FCR00020 – AAP Placement End Reason (Death of Adoptive Parent – DA)	An existing end reason is used, until reasons on aligned
Medium 	FCR00022 – Home of Removal API Failure for required Parent Address where parent is homeless	Home of removal to CalSAWS will error out
Medium 	FCR00029 – Out of State Rate Type from CalSAWS	Out of state rate type transactions will not be received by CARES. This will not impact issuances or payments.
High 	FCR00031 – Vendor number required for Automation of AAP Placements	All AAP new placements and placement updates will default to manual processing for LA
High 	FCR00032 – Payee Information optional for Alternative Care Placements	Child Placement transactions for new and updates will error out
High 	FCR00033 – Subtype Fields for LA D and F Rates	LA case with Rate Sub Types D, F1, F2, F3, and F4 will fall out of automation

Impact to Counties

County Workload could increase to manually resolve issues created by not resolving these FCRs prior to go-live.

Operational Reports must be shared with the counties with detailed instructions on how to complete manual actions as Alternate Procedures.
