Description

Purpose

The Purpose of this CIT is to inform the counties of the decision to consolidate the CalSAWS Technical Committee and the CalSAWS Network TPOC Group, **effective 08/01/2026**.

Background

Prior to August 1st, 2026, CalSAWS was hosting the "Monthly Connect – CalSAWS Network & Technical Point of Contact (TPOC)" meeting and the Technical Committee (TC). In review of the Technical Committee, it was determined that communications for the Technical Committee will be consolidated into the CalSAWS Network and TPOC group.

Going forward, the CalSAWS team will use the existing TPOC.County distribution groups to invite participants to the "Monthly Connect – CalSAWS Network & TPOC" meeting and disseminate communications. CalSAWS recommends each county create an internal TPOC distribution list using the format "[County Name] TPOC Distribution Group," and provide that distribution group to CalSAWS for inclusion in the CalSAWS TPOC.County groups.

County Actions

	Counties should consider updating their individual county TPOC list to include technical subject matter experts at the county who need to continue receiving communications and invites from the "Monthly Connect – CalSAWS Network & TPOCs" meeting. These individuals or county distribution groups should be shared with your Regional Manager, so they may update the existing CalSAWS TPOC.County distribution group.
