Description

Purpose

The purpose of this CIT is to provide the counties with a resource package detailing change impacts related to the H.R. 1 effort, called the "H.R. 1 Impacts to Medi-Cal, 26.09 User Impact Summary". The H.R. 1 Impacts to Medi-Cal, 26.09 User Impact Summary is designed to provide details on upcoming System changes and how County staff may be impacted by H.R. 1-related Medi-Cal policy changes.

Background

As part of the Organizational Change Management (OCM) efforts supporting H.R. 1 Medi-Cal SCRs included in the 26.09 release, CA-292582 and CA-292586, a user impact summary is provided to Counties to support awareness and readiness. CA-294491 is included here due to its overlap with H.R. 1-related changes, though it is related to the California State Budget rather than an H.R. 1 provision.

Additional Information

Counties will receive ongoing communications, detailed information about upcoming System changes, and supporting resources related to the H.R. 1 Medi-Cal policy SCRs.

	User impact summaries will be distributed ahead of releases that include OCM-supported H.R. 1 Medi-Cal SCRs. The H.R. 1 Impacts to Medi-Cal, 26.09 User Impact Summary included in this CIT covers Change Overview and User Impact Details for the following SCRs: • CA-292582 - Six-Month Redeterminations • CA-292586 - Work and Community Engagement Requirements • CA-294491 - Implementation of State-Only Aid Codes County Actions 1.
