CalSAWS CCB Questions and Answers for Thursday, October 22, 2026				
SCR Number	**County/Region**	**Question**	**Answer**	**Team Responsible**
CA-300508	San Bernardino / Region 5	With the current Ricoh fi-7160 scanner reaching end of life as of 04/30/2027. Will this update have any operational impact to counties for any scanners placed into production after 03/25/2027? Do counties need to consider any additional steps for scanners placed into operation after 03/25/2027.	No, there will not be any operational impact to scanners placed into production after 03/25/2027. The Ricoh fi 7160 relies entirely on industry standard drivers, allowing seamless integration with all Asprise scanning APIs and SDKs. Because of this standards based compatibility, counties do not need to take any additional steps when deploying scanners after 03/25/2027.	Online

CalSAWS CCB Meeting Minutes for Thursday, October 22, 2026

The following questions were received

SCR #	County/Region	Question	Response
CA-300508	San Bernardino / Region 5	With the current Ricoh fi-7160 scanner reaching end of life as of 04/30/2027. Will this update have any operational impact to counties for any scanners placed into production after 03/25/2027? Do counties need to consider any additional steps for scanners placed into operation after 03/25/2027.	No, there will not be any operational impact to scanners placed into production after 03/25/2027. The Ricoh fi 7160 relies entirely on industry standard drivers, allowing seamless integration with all Asprise scanning APIs and SDKs. Because of this standards based compatibility, counties do not need to take any additional steps when deploying scanners after 03/25/2027.
