Additional information about positions:

Work Environment

All positions on the CalSAWS Project are full-time positions. The Project works a partly remote schedule.

For those in the greater Sacramento area – At this time, staff are expected onsite two days per week at the project location.

For those in the greater Los Angeles area – At this time, staff are mostly remote, however, this schedule is subject to change when the office reopens.

There will also be times when staff are expected to come to the office or visit a county for scheduled activities/meetings.

Travel

Some travel is required throughout the state for most positions. Travel expenses are covered through your employer's short-term travel policy and claimed back to the CalSAWS Project.

County Candidate Submission
To be considered for open assignments:

1. Complete this form, including the county management recommendation and the Director's approval.
2. Scan and email this document and your resume to Careers@CalSAWS.org.

Non-County Candidate Submission

1. Scan and email this document and your resume to Careers@CalSAWS.org.
   Non-County Candidates - Regional Government Services (RGS) is a Joint Powers Authority that provides human resources and personnel administration for public agencies and municipalities. RGS has been a partner to the CalSAWS Consortium since 2009. Payroll and benefits with RGS are comparable to working for a county; however, there is no reciprocity for years of service as there is between most counties with respect to retirement. RGS offers comparable pay and benefit packages for employees, which includes an employer retirement contribution and 401k offerings.
